It's what dream weddings are made of. A once upon a time where Newcastle all began!

Newcastle Castle is an exclusive, luxury venue in the heart of the city offering a bespoke and unique wedding experience; your dream, your wedding, your way. With limited availability, book early to avoid disappointment!

Steeped in 1800 years of history, where Kings, Queens and criminals once walked, built to protect England's border, its position provides the most captivating views of the River Tyne and our beautiful city.

No ordinary wedding venue, the castle becomes your very own for the day to host and enjoy your wedding exactly to your needs, wants and desires.

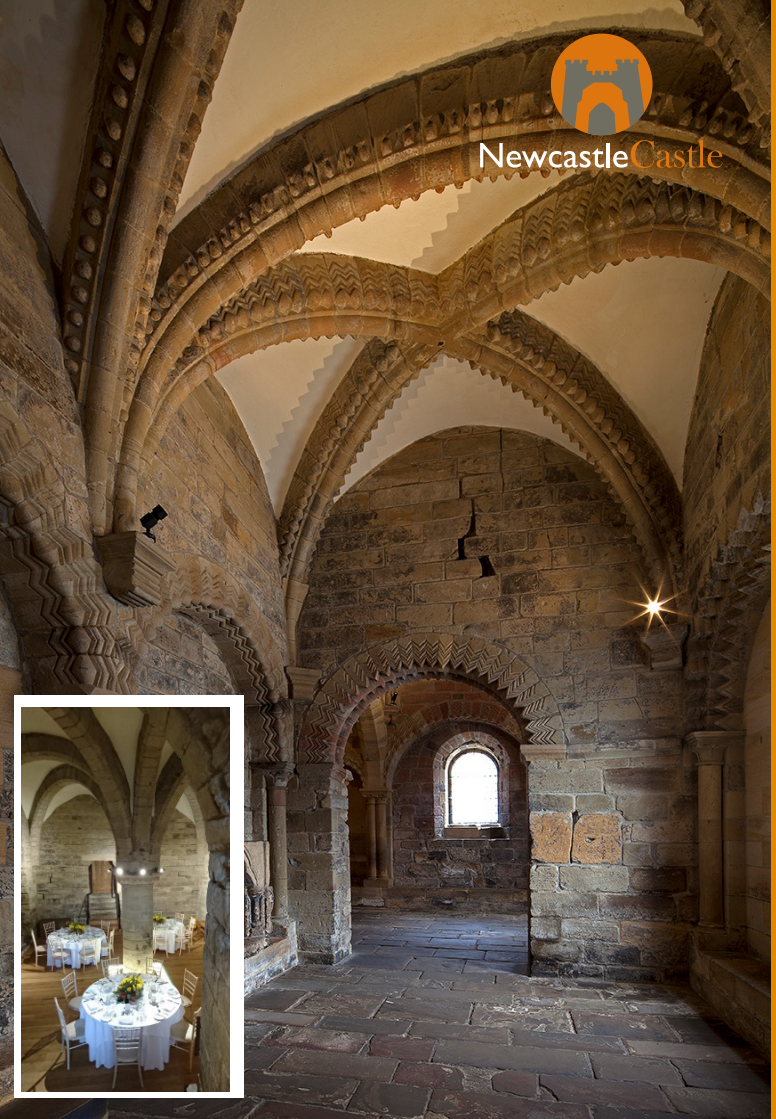
Exclusive Hire

Full day dry hire inclusive of luxury wedding planner MJ Wedding Planner and domestic services.

MJ Wedding Planner will support your wedding needs and desires to ensure your day is truly perfect.

Whether you wish to host an intimate celebration or a big party, the Castle's diverse space presents many opportunities:

The Castle can accommodate up to 120 guests for your celebration; hold your ceremony on the roof, followed by a drink's reception taking in the Ruins, the Chapel, Lower Hall and Gallery, then onto the wedding breakfast in the Great Hall and hosting the most atmospheric evening party throughout.



Ceremonies

Newcastle Castle's licensed room is the Harbottle Suite in The Black Gate (the original gatehouse to the castle) for up to 60 guests.

St Nicholas Cathedral stands proud, next to the castle for those wishing to hold a church wedding.

Have a ceremony unique to you in The Chapel, The Lower Hall, The Great Hall or overlooking the iconic Tyne Bridge on the roof.

Newcastle Castle becomes your Castle for £7,995. Access is from 10am right through until midnight.
