# LED GIFTS

Autumn/Winter 2016

Welcome to Joe Davies' brand new LED catalogue.

One of the **hottest home gifting trends** in recent months has been the development of LED technology into everyday gifts.

As you would expect we have been quick to react and our **brand new** Autumn Winter Collection contains lots of **new developments** with **tastefully designed** LED enhanced lines covering all genres and **key retail price points**.

To help our customers find the '**best of the best**' we have pulled together this brochure containing some of our **newest, brightest** and **best** ranges.

You will find great giving ideas for:

- **Occasion**
- **Home decor**
- **Home sentiment**
- **Outdoor living**
- **Christmas**

As with the entire Joe Davies Collection everything is available using our "**Little & Often**" order system, and **delivery is free** nationwide with a **minimum order of only £100**.

We hope that you enjoy using this catalogue.
