

*One of the most
unique and
memorable wedding
venues in Sussex*

"Once we had seen the marquee at Plumpton Racecourse we knew straight away it was the perfect setting for our big day. It had everything we were looking for, from stunning scenery to space for our entertainment and you actually get married under the winner's podium which was really quirky! Choosing a racecourse also meant that I could arrive by horse drawn carriage and everyone could see my grand entrance!"
