ultimate  
setting...

“The Orangery was  
the most perfect  
and beautiful venue  
we could ever have  
hoped for.”

Lavinia & Steve

The Orangery is the ultimate setting for your special day. Set in the heart of the garden of England, in Kent's county town, Maidstone, the Orangery represents the true and natural beauty of Kent itself. From the moment you step into the grounds the sheer magic will encapsulate your dreams for that perfect day.

Nestled within nine acres of beautifully landscaped gardens, with a tranquil lake and tumbling waterfall, it is an exclusive-use venue with endless photographic opportunities.

Our commitment to ensuring the smooth running of your day will be evident from the start and we will exceed your expectations with our meticulous attention to detail. You nurture the dream, we compose the reality.

your  
ceremony...

“Our wedding  
day was the most  
amazing day of our  
lives, the venue is  
beautiful and the  
staff were fantastic.”

Kelly & Mike

During British Summertime, weather permitting, you have the option of having your ceremony in the beautiful Gazebo, which is nestled within the immaculately landscaped gardens. The Gazebo provides an unforgettable setting for you to exchange those all important vows.

The magnificent Garden Room is an all year round stunning location for your civil ceremony. Five double doors span the front façade providing guests with a perfect view of the beautiful Mill Barn Garden and, more importantly, of the bridal party as they make their momentous entrance across the bridge. The stunning roof lantern ensures that the room is always light and adds to the effect of the gardens reaching into the covered space.

An inside and outside sound system enables you to share your carefully chosen music with your family and friends.

In addition to being a beautiful setting for your ceremony, the Garden Room can also be used for reception drinks for guests who arrive to the Orangery following a ceremony in church, as a stylish backdrop for indoor photographs or, for larger events, an alternative location for dancing and music.

A private room is also provided for the bride to meet with the Registrars prior to the ceremony. If your ceremony has already taken place elsewhere, this private room becomes a romantic haven where, as newly-weds, you can enjoy a quiet drink and reflect upon the commitments you have just made before you make your grand entrance to meet your guests.

your

The Orangery is aesthetically designed to incorporate all the elements required for both comfort and grandeur. Discreet floodlighting brings the venue to life after dusk, ensuring that the magic lasts through into the evening.

Your guests will enjoy a sumptuous wedding breakfast provided by one of our designated caterers. Our carefully chosen caterers will work with you to ensure that you and your guests receive a delicious menu made from high quality produce. All styles and culinary preferences can be catered for and all tastes will be met.

The franchise bar at the Orangery is set at public house prices and offers a highly competitive wine ordering service. They will liaise with you directly regarding all your drinks requirements and will guide you through the simple ordering process. Every wedding at the Orangery is unique from start to finish. Whatever you decide, you can be sure that your day will be one to remember, to enjoy and to share with those around you for years to come.

“Thank you so much for making our special day the most amazing memory. We wouldn’t change a thing and it was better than we ever imagined.”
