A party to
REMEMBER

The Brewhouse & Tap has masses of space to dance the night away and you're more than welcome to take the party outside and make good use of our beautiful beer garden and marquee.

The Brewery puts its own unique touches to every occasion, want to showcase you're having your reception in a Brewery, speak to our team for those "like no other" pictures inside our Brewhouse, or even add the tour to your big day.

We can host wedding receptions for anywhere between 50 - 500 guests and we have all the features needed for a party to remember: a large dance floor, a marquee, space for our caterers to serve food, rustic benches, tables and chairs and enough of our award winning beer to keep your thirstiest guests satisfied!

craft your own
WEDDING

At Lancaster Brewery we believe in putting the craft in craft beers, so you can rely on us to make sure that our huge bar is well-stocked with every kind of drink imaginable for your big day. You'll be able to select all kinds of drinks from the welcome to the toasting, the table wine to the post dinner cocktails, and our wedding planner will make sure that the drinks flow long after you've said "I do". It's even possible for you to have your very own personalised cask of beer!

There's tons of room at The Brewhouse to serve up your wedding breakfast or dinner and we have a great selection of caterers that we work with to provide stunning hearty meals to keep everyone fuelled up for the night ahead.

Our caterers can provide food to match the feel of your day, whether that's breaking tradition with a relaxed fish and chip supper or something a little bit more formal - it's up to you.

Whatever you choose to do, we understand that your first meal as a married couple needs to be nothing but perfect so we will only ever recommend caterers that we know and trust.

A unique wedding
VENUE

Our unique wedding venue is fully-functional and is set up with plenty of space for music and entertainment, accessible facilities, loads of parking, a properly-equipped bar, and a spacious dance floor.

Our marquee, with its seating area and heating, is immensely popular for weddings at the Brewery (especially during the colder months) and is a great option for your wedding breakfast because it can seat up to 80 guests.

You can also feel safe in the knowledge that any kids attending your big day will be well looked after by us - we can set up our superb bouncy castle and a variety of exciting games to keep the little ones occupied while the adults have their own fun!

Add personal flair
TO YOUR DAY

•••••

With the venue, entertainment, food, and drinks all sorted, the only thing you have left to think about is those little extras that will give your day a bit of personal flair!

We can help you to decorate and personalise The Brewhouse with flowers, lighting and decorations and our team will be on hand to help get everything set up for you.

For an extra touch of sweetness at your reception you can hire one of our candy carts - filled with an amazing array of different sweets with old favourites like chocolate mice and fizzy cola bottles, it's a great touch and your guests will love it!

We've also been known to host some legendary stag and hen parties at the Brewery, where we will provide the food and drink, as well as a tour of our brewery and a pub quiz to test your knowledge of the beer.
