

STON EASTON PARK

WEDDINGS

THE PERFECT VENUE FOR YOUR *Wedding* DAY

STON EASTON PARK, built in 1739, is a grade 1 listed Palladian mansion of great distinction. Located 11 miles south west of Bath and 12 miles south of the centre of Bristol, the house contains some of the most exceptional architectural and decorative features of its period to be found in the West of England. All 23 bedrooms are lavishly furnished with fine fabrics and antiques. Indeed, some of our bedrooms even have original Chippendale four poster beds. The house itself is surrounded by 36 acres of romantic gardens and parklands, created by the renowned landscape architect Humphry Repton in the 18th Century.

We are licensed to hold civil ceremonies for between 2 and 100 people, in three rooms throughout the house. For the wedding breakfast, we can cater for up to 80 people in the Saloon. For more than 80 guests to dine together, we suggest positioning a marquee in the grounds with the house as a stunning background, where we can cater for up to 200 guests.

Ston Easton Park holds the culinary crown when it comes to serving award-winning cuisine in the most exquisite surroundings. Our Head Chef is passionate about developing menus that use fresh, locally-sourced ingredients; working with local suppliers and even sourcing almost 60% of the fresh produce used in the menus from the hotel's Victorian kitchen gardens.
