Your Special Day your beautiful smile?

Are you happy with the appearance of your smile?

Would you like to see a whiter, straighter or more attractive smile?

Affinity dental care wants to ensure that not just your smile, but those of the wedding party shine in your photographs and video footage creating memories that last a lifetime.

We offer four levels of package for the Bride to be and bridal party. Our packages can be adapted to create your own personalised package.

Remember that all cosmetic treatments take time and require planning. So be sure to leave enough time to get the smile you want. We have provided a handy guide so that you know when to start treatment

It's your day to smile
