Specialising in mobile pizza

Why not impress your guests with something different? We make artisan wood fired pizzas from our unique mobile pizzeria so we can bring a little piece of Italy to you.

We are two Italian brothers, Biagio & Pep De Michele and we would be delighted to cater for you and help to make your wedding day or any other special celebration special and as casual or as formal as you like. We want you and your guests to enjoy your event and it's important to us that we leave you thinking "Wow that was brilliant."

Our pizza dough is proofed for at least 24 hours. This enables flavour and texture to develop slowly and will also produce a puffed light crust which is easily digestible. Our pizzas are made in accordance to the strict guidelines of the Associazione Verace Pizza Napoletana: www.pizzanapoletana.org.

We only use the finest ingredients and hand craft all our pizzas. No rolling pins, mechanical dough rollers, pre rolled, precooked or pre frozen pizza dough.

Please see our website – www.labaraccapizza.co.uk or Facebook page: La Baracca Pizza for more information.
