Congratulations!

Set in the magnificent Hertfordshire countryside, Henry Moore Studios & Gardens is one of the region's most distinct venues. Our seventy-acre estate, showcasing Moore's iconic monumental sculpture offers the perfect setting for your wedding.

Our 16th century, traditionally timbered Aisled Barn is decorated with unique Moore tapestries, and is set amongst the artist's picturesque sculpture gardens, which provide a unique backdrop for your special day. The Aisled Barn is licensed for civil wedding ceremonies and provides a stunning setting for a wedding ceremony or reception.

Only 40 miles north of London, we are a short hop from train stations at Bishop's Stortford, Hertford and Harlow, and only 12 miles from Stansted airport.

Say "I Do"

At Henry Moore Studios & Gardens we offer dedicated in-house wedding planning for every aspect of your day. We know that your wedding is as special and unique as our venue, so our event team is on hand throughout to ensure you have a fantastic day; whether you're planning a simple ceremony, a wedding breakfast and reception, or would like to host the whole day in our beautiful setting.

Our venue hire includes exclusive use of the Aisled Barn and shared use of our gardens and grounds with our visitors, not to mention our event team's planning assistance before, after and during the event.

A stunning setting, by day or night

To really make the most of our beautiful grounds, a marquee or tipi can make a stunning night-time statement and provide extra space for your wedding breakfast.

If you're dreaming of a more intimate wedding day, our new visitor centre in Dane Tree House boasts a modern event suite with breath-taking views over the sculpture gardens and is perfect for a smaller reception or ceremony.

Pricing 2019/2020

Our venue hire fee includes exclusive use of the Aisled Barn or Dane Tree House event spaces, and shared use of our gardens and grounds with visitors (during our open season we are open until 5pm. After 5pm the grounds are exclusively yours). It also includes setting up and delivery days before the big day, as we only ever hold one wedding per weekend, even in the summer months. This ensures you can maximise the time with your guests to relax and enjoy the day.

The hire fee also includes:

- Dedicated event manager
- Exclusive car park for you and your guests
- Photographic licence
- Special Henry Moore Studios and Gardens images for your invitations or menus
