

BERWICK

LODGE

SINCE 1890

A blossoming romance

BEGIN THE STORY  
that will last a lifetime here at  
Berwick Lodge, by marrying the  
person you love in the romantic  
seclusion of the South West's  
best-kept secret.

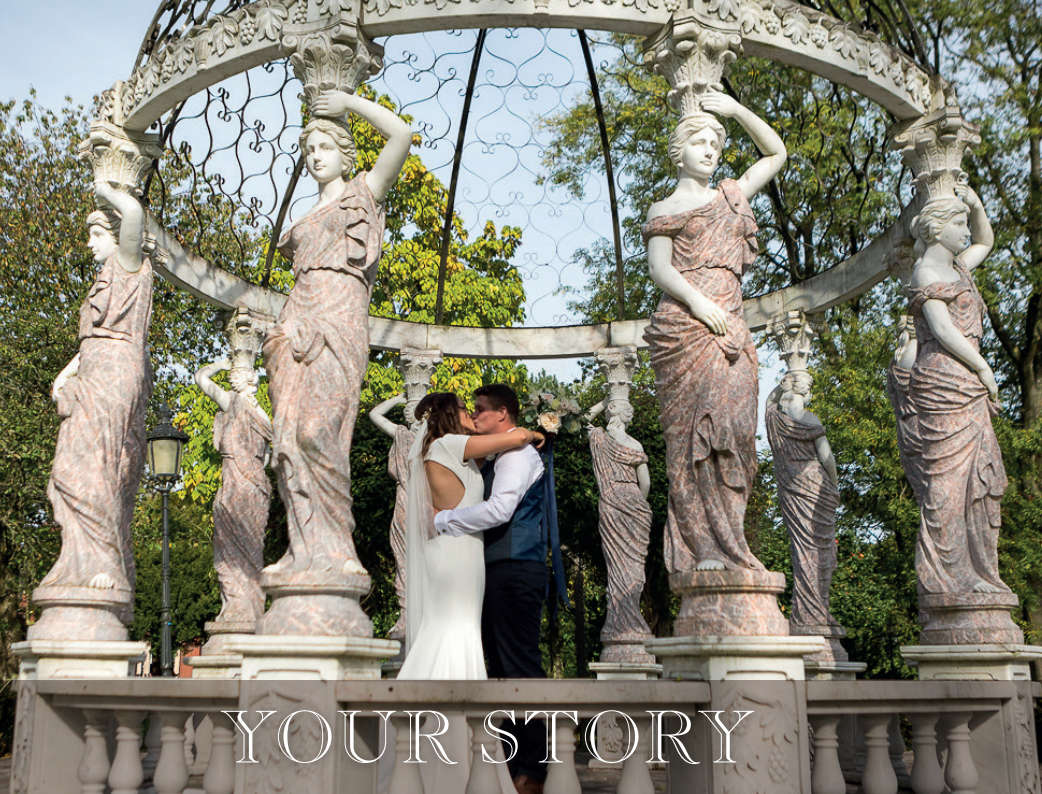

This magnificent manor house started life in the 1890s. Privately owned, it was admired for the flourishing rose gardens that grew within its walls. Today, Berwick Lodge has become more enchanting than ever. Restored to its former bloom, owners Sarah and Fevzi Arian followed an inspiring vision to create something truly special, where admiration lives on and memories seek to flourish.

Elegant style has been combined with historic richness to form a luxury country manor hotel with 14 individually designed rooms and award-winning fine dining. You have a special experience waiting for you on your arrival to Berwick Lodge – one which blends good food and fine wine with high quality service and a warm, welcoming ambiance.

## GORGEOUS FOOD

Good food is renowned for being the way to a person's heart, and the centrepiece of any good event. Food is also at the core of what we do here at Berwick Lodge, and something we are very passionate about. We take great pride in creating excitement and delight through each of the tantalising dishes that we deliver. From canapés to midnight snacks for those guests still standing strong, our team of talented chefs have your tastebuds in hand.

Delicious food will be served from our specially prepared wedding menus. Alternatively create a bespoke menu, designed by you and our Head Chef. Our chefs love to talk food, and are more than happy to discuss your individual requirements, and make suggestions to help you create something that is both personal and exciting.

Seasonal, locally sourced ingredients will be teamed with innovative flavour combinations to satisfy the taste buds of both you and your fiancé. Matched with good presentation and delivered through high quality service, you will be served with a feast that will flavour the memories of your wedding day.

The wedding breakfast will be served in our award-winning 2 AA rosette restaurant – where the East meets West in décor – with a beautiful view overlooking the gardens. Flickering candlelight combined with the dimmed lights of the magnificent chandeliers that hang elegantly from the ceilings, help to form the intimate ambience that brings warmth to the room.

Get ready in luxury and wind down in comfort in one of our beautifully designed rooms. With breathtaking views looking out over our exquisite gardens, feel relaxed and revitalised as you prepare for the magical day that lies ahead.

Unique in both name and character, each room presents an elegant style that complements the historic richness and sophistication of the Anatolian period.

Fitted with all the special little touches we know you love, each room has been individually styled to create a personal experience for our guests.

Choose from a selection of 14 luxurious suites, doubles and single en-suite rooms available for you and your guests to complete the perfect day with an indulgent night's sleep.
