TAKE TIME TO EXPLORE
**STUNNING
GROUNDS...**

Not just open green spaces, the enchanting grounds, overlooked by the magnificent country house, offer spectacular features within an abundance of beautiful surroundings – a perfect backdrop for unforgettable photographs.

An original 1920s Victorian stone walkway sits under a pergola entwined with wisteria and clematis, leading the way to Aphrodite's Dome – a striking structure set on a beautifully tiled platform with an intricately designed dome roof and surrounded by marble ladies.

The soothing fountain, original Victorian summerhouse, orchard, tree swing and views across to Wales, offer additional backdrops for romantic photographs, while the outdoor space hosts plenty of seating for guests to relax in the surrounding beauty.

Available all year round, **our stretch tent** with festoon lighting and seating area is the perfect spot to enjoy the outdoors, no matter the weather!!

YOUR WEDDING, YOUR WAY

THE CEREMONY...

Berwick Lodge is licensed to hold legal ceremonies for up to 100 in our indoor room 'Mesopotamia', or outside (in good weather!)

Mesopotamia, in our separate Mews building, is a wonderfully bright room with heaps of natural daylight and views across the countryside. The muted yet beautiful décor requires minimal additions, but can also be easily styled to your personal taste.

The gardens offer peaceful outdoor ceremonies with spectacular views across open fields, woodland and gardens – with three available locations: *'Aphrodite's Dome'*, *'The Archway'*, or *'The Fountain'*.

There is no additional fee to host your inside ceremony at Berwick, however, a £450 charge applies to outdoor weddings. Either way, we include indoor and outdoor seating; styling decorations; as well as help to play music and direct guests and bridal parties. Kindly note, a fee will be payable to either the registrars to conduct the legal proceedings or to a celebrant if considering a non-legal but highly personalised ceremony.

RELAX IN STYLE

TAKE A LOOK INSIDE...

The interior of our stunning Victorian building reflects historical British luxury and comfort, with a subtle Turkish twist.

You'll find original wood panelling, open fires and a sweeping staircase – and that's just in the entrance hall! Stone pillar archways, crackling fireplaces, and the soft twinkle of crystal chandeliers create a truly enchanting atmosphere with a plethora of striking original features throughout.

The reception room is wonderfully bright and airy – floor-to-ceiling windows overlook the gardens and out towards the sparkling lights of Wales beyond. It flaunts characteristic features such as an old London bar, an original fireplace and an ornate pulpit to stand at for speeches.

Original wooden flooring creates a perfect dance floor, while the cosy lounge was made for enjoying a quieter moment – perhaps a board game or two!? See if your guests notice Berwick Lodge on the Bristol Monopoly board...

CATERING WITH CARE

AMAZING FOOD...

A memorable event is often defined by the food, and Berwick Lodge excels in this aspect. Food is at the core of what we do here and something we are extremely passionate about.

Our amazing team of in-house chefs, who ordinarily run our two-rosette restaurant, create delicious food from our specially created wedding menus, using seasonal and local ingredients as much as possible. Whether you're looking for a traditional sit-down wedding breakfast, or a more casual grazing affair, our range of menus will complement you and your day.

You'll be invited to a complimentary menu and wine tasting closer to your wedding date, allowing you to make a decision on the menu. Ordinarily, a set menu is offered to all guest, however, we are all about flexibility here and happy to discuss a choice menu, if preferred. Any guests with special diets are just as lovingly catered for if known about in advance.

No wedding day is complete without the perfect tippie! We offer both a reduced and extensive wine and drinks list and couples are invited to choose two signature cocktails for their day.

EVENING RECEPTION

IT'S PARTY TIME...

Evening food trucks, firepits and late-night extensions... We have a number of optional amendments to customise your evening.

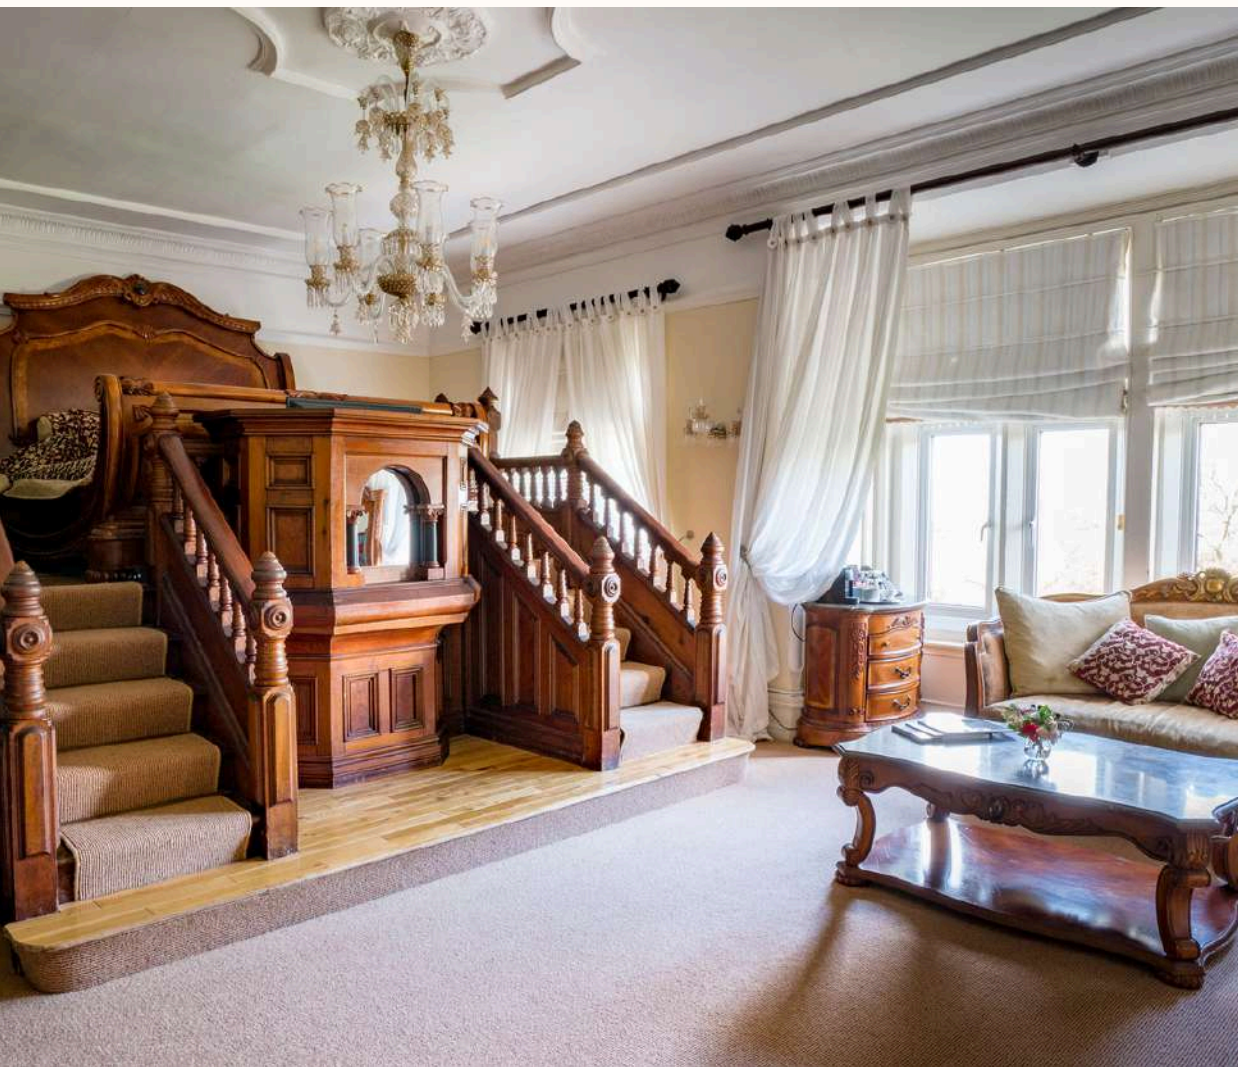

Although we pride ourselves on the ease of our all-inclusive wedding offering, we also hugely believe in personalisation and flexibility. As wonderful as our kitchen team are, they couldn't possibly cater all cuisines seamlessly and authentically. Therefore, couples are welcome to forgo Berwick's delicious evening catering and instead hire their own self-contained catering van or food truck of choice – think Neapolitan pizza; tacos; mac and cheese; hog roasts... the list is endless! *Kindly note, in addition to your food truck cost, a flat-fee of £250 will be payable to Berwick.*

With only cows and deer as our neighbours, there is no sound limit at Berwick Lodge, allowing you and up to 150 guests to party the night away. Guests can enjoy the house and grounds (with firepit & s'mores!?) until midnight, or you can extend both the music and bar until 1am for an additional £250.

Either way, any guests staying in the hotel can make themselves at home, with further drinks available with the night porter into the early hours of the morning.

ALL YOUR CREATURE COMFORTS

BOUTIQUE BEDROOMS...

Our bedrooms aren't just places to rest your head, they are sanctuaries of comfort where you can unwind after a day filled with excitement. Invite your nearest and dearest to stay with you overnight, extending your celebrations into the following morning.

Our stunning collection of 14 individually designed luxury bedrooms, all with en-suites and unique characteristics, means that there's plenty of onsite accommodation. Check-in is from 3pm (although we have a priority list) and breakfast is included as standard (with the option to invite extra guests back too).

There are 12 bedrooms in the main lodge (including one dog-friendly room) and a further two in our Mews building. Accommodating 27 guests in total – although extra beds can increase our capacity. If needed, there are also plenty of additional hotels a 5-10 minute car ride away.

We do ask that 8 of our top-tier bedrooms be taken on the night of the wedding, included within this number is a complimentary deluxe suite of your choice, with early 11:30am check-in. In addition, our dressing room, in the Mews, is available from 7am.

WE'RE ALWAYS ON HAND TO MAKE
YOUR DREAMS COME TO LIFE

UNRIVALLED SUPPORT...

What truly sets Berwick Lodge apart is the personal touch added to every wedding. This isn't just a venue, it's a team of dedicated people (our Berwick family!) who genuinely care about making your day meaningful and unforgettable.

When you choose Berwick Lodge, you aren't just booking a venue, you're choosing a personal service and complete support package for total peace of mind throughout your wedding planning (the online 24-hour accessible Google Drive helps)!

Our experienced wedding coordinators, with help from the owner Sarah, who takes a personal interest in all of our weddings, will be on hand from the very start of your journey to ensure your plans and dreams come to life and your personality shines through.

On the day itself, our lead coordinator will be there to put you at ease and make sure everything runs seamlessly, supported by our attentive restaurant manager and waiting team.

A SMALLER FOOTPRINT

SUSTAINABLE WEDDINGS...

We're committed to achieving the best environmental and social sustainability practices, for the benefit of all of our couples, Berwick family and the planet.

It's the small things we're trying to change: using local ingredients; growing produce in our kitchen garden & flowers in our cutting garden; encouraging vegan choices; fighting food waste with 'too good to go'; using organic pesticides; supporting our bee hives & Bristol's biggest colony of house martins; our electric company car & on-site electric car charging points; encouraging online planning; supporting staff mental health with 'hospitality in action'; and supporting and purchasing through small and local shops and second-hand wherever possible.

We've received our Silver Green Tourism Award and have been shortlisted two years in a row for the South West's Bee Bold awards.

We have also recently installed solar panels which produce renewable energy and help with Berwick's wider carbon reduction and sustainability plan.

PREVIOUS REVIEW

A FEW WORDS...

"Perfect from start to finish. As all the other reviews say, where to start? From the initial viewing to the day of the wedding was almost exactly 3 months, so not a lot of time! The team were incredible, even to the point of arranging an emergency appointment with the registrar so we had enough time to give notice. The build-up was professional and organised but also relaxed given the timeframe, which put everyone at ease. The day itself was everything we could have asked for a lot more on top. Comments from many guests included "best wedding venue I have been to", "incredible day and wedding" and "absolutely everything was on point". I cannot imagine how anyone could be disappointed with having their wedding at Berwick Lodge. Thank you to all the staff, you were amazing."
