Civil Weddings

Civil marriage ceremonies can be performed in one of five licensed rooms at The Gables, so you can spend your whole day at the hotel and no one needs to be concerned about getting from the church or Register Office to the reception.

Whether you want a small intimate ceremony or a larger celebration, one of our elegant rooms is sure to suit.

The Bristol Suite accommodates up to 150 guests, and we also offer rooms for ceremonies for as few as 10 guests. For the civil ceremony the hotel provides the hire of a licensed room for the ceremony plus the hire of a smaller room for the private interview prior to your marriage.

The first step in arranging a civil marriage at The Gables is to provisionally reserve a date and time for your ceremony with us. You should then contact South Gloucestershire Register Office in order to make a booking for the Registrar to attend.
