CRAFTER'S COMPANION RELEASE THREADERS HOME GROWN FABRIC RANGE

Crafter's Companion are pleased to announce the launch of a brand-new fabric range, Home Grown. A part of their expanding Threaders brand, the range comes in a modern colour palette featuring on-trend cactus prints. The quality fabric is 100% cotton and ideal for both homeware and dressmaking projects.

Available to buy by the metre and as a six-piece Fat Quarter bundle, there are six beautiful designs to choose from in a range of co-ordinating colours.

A selection of products across this collection will be sent to you as soon as they become available for you to use in your titles as you wish.
