Our dedicated Wedding Co-ordinators will work with you to ensure your day is exactly as you always imagined it would be. They will be on hand from the moment you book your Wedding or Civil Partnership and will advise you on colour schemes, menus, flowers, entertainment and much, much more.

You can be sure that nothing will be overlooked.

## PRIVATE HOUSE PARTY

---

You could be Lord and Lady of the Manor for the day and hire Stapleford Park privately for you and your guests.

You will be able to match each guest's taste to all 55 individually designed bedrooms and suites and bring the house to life whilst you celebrate throughout the day and night in true House Party spirit.

## ANTICIPATION

As soon as you arrive at Stapleford Park you can begin to relax, making the most of our range of facilities and pampering yourself in our wellness retreat.

After a good nights sleep you will awake feeling refreshed to beautiful Leicestershire countryside ready to begin your wedding day preparations.

For the bride and bridesmaids our fully trained make-up artist will visit you in your bedroom to add the finishing touches.

For the Groom and Ushers there are a variety of activities available to keep you busy before the ceremony - you can spend the morning on our exceptional eighteen hole golf course, take part in country pursuits including Clay Pigeon Shooting, Archery and Falconry, or just relax and enjoy the beautiful surroundings.

## LET THE CEREMONY BEGIN

---

The stunning Orangery at Stapleford Park is licensed for civil ceremonies and is suitable for up to 150 guests - once you are married the doors of the Orangery open out onto the beautiful gardens where you can enjoy Champagne and canapés before your Wedding Breakfast.

Smaller, more intimate weddings are held in a selection of our elegant rooms within the House.

Family and friends will share your celebrations as you take your vows in opulent surroundings, providing you with moments to treasure forever.

Blessings at Stapleford Park are held at the St Mary Magdalene church in the hotel grounds. The church was built in the 18th century by the fourth Earl of Harborough, and is an elegant example of Gothic Revival

architecture. It has a tall, gracious tower, and above its entrance is a carving in the shape of a peacock's tail, the family crest.

## THE GARDENS

---

Stapleford Park prides itself on its unrivalled splendour. The House and grounds provide exquisite scenery for your all important wedding photographs.

Set in five hundred acres of parkland, lake and woods originally created by Capability Brown, you will find an endless array of backdrops in which to be photographed. The traditional and the contemporary co-exist in perfect harmony here, so your wedding photographer can choose locations to suit your personality and style.
