INTRODUCING GREAT BETLEY

Great Betley is a gorgeous 16th Century farmhouse nestled among 200 acres of beautiful countryside and the farmland of West Sussex. Around five acres of this could be exclusively yours for your wedding or event. Great Betley's Kim Stewart has worked hard to create a stunning, rustic and laid-back wedding and events venue, providing the perfect backdrop for you to create your day, your way!

If you choose Great Betley for your celebrations, you will have sole use of the venue for two days, allowing for decoration of the marquee, and for your suppliers to set up ready for the big day, as well as the take-down afterwards.

In the house itself you will find a beautiful en-suite master bedroom/bridal suite and three other recently renovated double bedrooms for your use for the duration of the event. The infamous Betley breakfast will be served! There is plenty of space for your guests to glamp or camp in the surrounding fields and meadows, extending the celebrations and making your wedding or event even more memorable.

With sweeping views towards the South Downs and the Iron Age hill fort of Chanctonbury Ring, Great Betley offers a unique venue like no other in the area. The village of Henfield is conveniently situated between Horsham and Brighton, with good access from major routes like the A23, A24 and A27.

FOR HIRE

Hiring Great Betley on an exclusive use basis starts at just £2,500*, including:

- ◇ Exclusive use of the available area in the fields
- ◇ Use of the lawned area next to the pond — perfect for the celebrant ceremony and canapés and drinks
- ◇ Four bedrooms within the farmhouse for the duration of your stay, including a full Betley breakfast. Additional meals available on request
- ◇ Free parking for guests
- ◇ On the day event co-ordination

ADDITIONAL FACILITIES

Tents n Events are our preferred supplier for your marquee and are very familiar with us! They will also be able to supply the electricity generator for your power needs and can also supply portable toilets as required. They have many years of experience with the supply of tents and marquees for events of all sizes and occasions. From traditional canvas pole tents and modern-framed marquees, they are also able to supply pagodas and hexagon tents, catering tents and porches. More information at www.tentsnevents.co.uk

IT'S ALL IN THE DETAIL

- ◇ You will have access to the venue from midday the day before the event until midday the day afterwards. The team can be reasonably flexible on this if there is no other event booked or planned at the time.
- ◇ The maximum number of guests is 350
- ◇ A Temporary Event Notice (TEN) must be obtained from the local authority—Horsham District Council—by the person responsible for the supply of alcohol, and this must include entertainment.
- ◇ Music must be kept at an acceptable volume according to the local licensing authority's guidelines and must end at 11pm.
- ◇ Great Betley does not allow Chinese lanterns or balloon releases for environmental reasons, and only quiet or silent fireworks to protect the local livestock.
