AT
BADGEMORE PARK

SO MUCH MORE THAN A VENUE

Love is our true destiny.
We do not find the meaning of life
by ourselves alone
– we find it with another.

Thomas Merton

Your perfect day - your way

You're engaged - congratulations!

At Badgemore Park there's nothing we love more than a beautiful wedding.

Weddings here are about the two of you. Every couple is different and so is every wedding.

Whether you're planning a lavish celebration or an intimate affair for close family and friends, everything we do is tailored to you and designed to make your big day special and unique.

We know that the choice of venue is one of the most important decisions you will make. From the moment you arrive at Badgemore Park, you'll know that this is the place for you.

Our wedding coordinator will be on hand every step of the way, to help you create, plan for and enjoy your perfect day. We're all about the little added extras to ensure planning your wedding is as joyful and stress-free as the day itself.

The perfect setting for your special day

Our stunning parkland estate is located in Henley-on-Thames, in the heart of the Chilterns Area of Outstanding Natural Beauty. 120 acres of beautiful British countryside ensure the setting for your celebration (and of course the all-important photographs) will be breath-taking and truly memorable.

On the day you will have the choice of two equally idyllic settings -
The Coach House and The Fairway View.

The Coach House is licensed for civil ceremonies and partnerships and has the space for up to 130 of your family and friends to watch you say 'I do' while enjoying the beautiful views. Then, enjoy champagne and canapés in the adjoining 18th century courtyard and let the party begin!

The Fairway View is a fairy-tale setting for your day - set on our first floor, its elevated position offers extensive views over the beautiful estate and is flooded with natural daylight. A totally private room, it is perfectly suited for your first feast as a married couple - which must, of course, be fantastic.

As you celebrate with delicious food, speeches, joy and laughter, your chosen band can be setting up downstairs ready for the first dance.

A venue for all seasons

Whether it's your heart's desire for a Spring, Summer, Autumn or Winter wedding, you can be sure that you could not pick a venue which better showcases and glories in the season you love.

Spring weddings are enchanting. A season of new beginnings, awakening the world around us – our estate is bursting into life and at its brightest and freshest.

In the Summer months, Badgemore Park truly blossoms. The colourful wild flowers and abundant foliage create the perfect setting for your guests to be welcomed with a glass of champagne in the sunshine and warmth of an English Summer day.

Autumn is a mellow and beautiful time – “the year’s last, loveliest smile”. Cooler and a little calmer than the Summer months, our estate is teeming with late beauty and full of light and colour.

And Winter weddings are all about romance. Beautiful, crisp days, with gorgeous Winter sun – and maybe even a dusting of snow. Warmth, comfort and celebration – perhaps a mulled wine on arrival in the toasty Coach House while overlooking the frosty grounds?

The day of your dreams

From the moment you and your guests arrive, through the vows and the photographs, the drinks reception, the wedding breakfast, speeches and toasts, the first dance (and the last!) - you expect nothing less than perfection and that's exactly what we will deliver.

Every wedding at Badgemore Park is a bespoke experience. We pride ourselves on our professionalism and attention to detail - and our friendly and responsive team will ensure every moment of your day delights you and your guests and exceeds your expectations.

The Badgemore Park team of dedicated professionals has a wealth of experience to ensure your day goes without a hitch - no matter how big your plans! Whatever your ideas or desires, we're here to help you realise your dreams.

If you choose to hold your ceremony and reception at Badgemore Park we offer total exclusivity - your day will be the sole focus for every member of our proactive and enthusiastic team.

And of course it also means that once your vows and rings are exchanged the party can begin immediately, with no worry about travelling between different venues and wasting valuable hours of your celebration.

Your pick of the menu

Food is at the heart of any great celebration. At Badgemore Park, we think your first dining experience as a married couple should be fabulous!

Our chefs are experts in event catering and have created a range of mouth-watering bespoke menus, which can be tailored to suit your taste and style - and food favourites. Our food is locally sourced, seasonal and delicious.

Enjoy complimentary menu tasting for the happy couple - and let's make sure every bite on the big day is one to remember.

Come and stay with us!

To make the most of every minute of your celebration, we are delighted to offer a bridal suite and seven other individually-designed bedrooms at Badgemore Park for you and your close family and friends.

Our accommodation is set within its own beautiful, private walled garden with a decked seating area. Arrive the day before your big day, relax and explore our lovely local town - renowned for the Royal Regatta - and perhaps even enjoy a round of golf on our glorious 18-hole parkland course. Then, as the sun goes down, enjoy a cool drink in the garden, courtyard or patio and a wonderful night's sleep.

And when the formal celebrations are over on the day itself and bed beckons, a few short steps and you'll be snuggled down in comfort, reflecting on your perfect day.

Every overnight stay includes a delicious full English breakfast, which will be waiting for you in The Coach House. Look back on your special day and share happy memories with your guests in an exclusive area - while enjoying truly scrumptious food. Just what's needed after such a party!
