

# THE LAWN

## ROCHFORD

*Thank you very much for your enquiry. The Lawn is a fine Georgian Manor house surrounded by landscaped gardens set in rolling parkland. The rooms are spacious, comfortable and still mainly furnished as a family home, creating a friendly and relaxed atmosphere. The house and gardens are exclusively yours for the whole day.*

*The beautiful gardens provide an ideal setting for the wedding photographs during the special day. There is a spacious Bridal room dedicated exclusively to the bride and absolutely free. She can remain hidden from the guests, if she wishes to make a grand entrance to the Great Hall down the sweeping staircase, accompanied by her music.*

*We can offer suggestions about the best back-up for the Wedding, offering good value and high standards, whether of a simple nature or full Reception and Party. All food is freshly cooked on the premises by our own Caterers, with an excellent choice from a simple Buffet or Canapés to a Banquet, and sensibly priced. The house is fully licenced, with its own bars (inside and terrace).*

*The Lawn does not have any service charge or hidden extras. It is difficult to give firm charges until we know when you want to come. Cost depends upon year, month and day. You will be HAPPILY surprised to see how little the full package could actually cost, in relation to its value and exceptional quality of service; because we are still a Family business—and care.*

*The secret of our success is that my friendly dedicated team treat every Wedding as an extra special occasion.*

*Truly a ‘no worries wedding’.*
