HOUSE

'Cumbria's finest country house venue!'

WELCOME TO BLAITHWAITE

Our family home for over 6 generations, here you will find a Cumbrian Country House, Gardens & Estate Grounds bursting with ornate features and unique character.

From humble beginnings as a mill workers cottage in the 1700's era, through the Victorian iron and cotton industries, to a working farm and estate, Christian centre and now to us.

Our journey; from 2015 we have breathed new life into this magical place. Beautifully refurbished, uncovering old treasures, restoring features, developing the gardens and preserving our heritage, rest assured Blaithwaite still retains a world of rustic charm.

Our aim is simple for couples to have a wedding day that is as individual as they are!

We offer a fantastic flexible venue for celebrations big or small, with a friendly and personal service.

Come and see for yourselves, we'd love to show you around!

Last but by no means least, is **Mary-Jane's Summer House:** Built in the Victorian era for William Donald's only daughter, situated on a little island at the bottom of the formal gardens, it is truly magical. A totally unique outdoor woodland feel to your ceremony and seating 200.
