MONUMENTAL MEMORIES

Winchester Cathedral is the stunning jewel in the crown of one of the most beautiful cities in England. We offer a choice of venues set within the Cathedral grounds where you can celebrate your marriage in spectacular surroundings.

Steeped in history, this is a place where royalty have married, and is the resting place of Jane Austen, one of the greatest romantic novelists of all time. We attract visitors from all over the world due to our outstanding beauty and history.

A wedding breakfast and evening reception at Winchester Cathedral will be a very special occasion, giving you and your guests the chance to make memories in a truly majestic setting.

Stunning spaces in stunning surroundings.

Our wedding reception venues are totally unique, offering traditional and contemporary settings which can host up to 120 guests.

The Garden Marquee

(for up to 120 guests)

Set within a beautiful walled garden, The Garden Marquee is overlooked by the Cathedral and is ideal for greeting guests on arrival with drinks and fresh canapés. The marquee is a totally blank canvas, enabling you to style your wedding in any way you want. This lovely, versatile space can be fully opened up to bring the outside in on sunny days and warm summer evenings.

The Wessex Centre

(for up to 72 guests)

A striking contemporary building located in the Inner Close, The Wessex Centre benefits from its own private walled garden and is also ideal for arrival drinks and fresh canapés. Built from sustainable materials and locally sourced timber, the floor to ceiling windows enhance this light and airy venue, presenting guests with spectacular views of the Cathedral.

The Refectory

(for up to 120 guests)

A generous space perfect for your evening celebration, whether music or dancing (or both!), The Refectory is modern, airy, spacious - and comes with a fully stocked licensed bar. Within the grounds of the Cathedral there is also an option for larger marquees set in beautiful lawns and mature gardens. Please contact us to find out more.

Outstanding food by outstanding chefs.

Winchester Cathedral is proud of its award-winning catering and our Executive Chef has created a selection of delicious, contemporary and classic menus using seasonal and local produce. A completely bespoke menu can also be created for you, tailored exactly to your personal taste. We offer a comprehensive list of cocktails, Champagne and canapés for your guests' arrival.

Whatever your choice, you will be invited to come and sample your dishes along with your chosen wines to ensure the perfect pairing. Working together, we will ensure your wedding breakfast is served just the way you would like it!

For more informal occasions we offer relaxed hog roasts, barbecues and afternoon teas.
