

Kilminorth Cottages Wedding Venue

Tie the knot at Kilminorth, and you will be surrounded by breathtaking Cornish Countryside – all hidden away in a valley on the Cornish coast.

Nestled amongst ancient woodland and wild meadows there is a village of 13 beautiful cottages set in beautifully landscaped gardens.

The 32 acre estate can be yours exclusively for you and your guests and there are no package weddings here! We can be as hands on or off as you like to make your wedding as individual as you.

So get the camera ready as you are guaranteed never to be short of an idyllic photo opportunity.

Make Kilminorth yours for the day

Bonfires, dancing under the stars, fireworks, cider from down the road, hay bales, bunting and festoon lighting strung between trees, gourmet dinners, home-cooked hearty food – if you need a venue that's happy to let your imagination run wild, then come and see what we're all about!

Be unique

Whether you see yourselves as traditional or alternative, elegant or extravagant, our venues give you the space to create a wholly original wedding, that you and your guests will never forget!

Walk down the aisle to your favourite song, musician or singer and afterwards celebrate and mingle with your guests with a glass of something bubbly!

With space for up to a 200 person marquee which can also be used to host a recovery brunch the following morning. This is the perfect opportunity to catch up with all of guests after your big day.

The Ceremony

Kilminorth can be yours exclusively, for a celebration you'll cherish forever. Located on private land it is not easily stumbled upon, and it is not open to the public.

Perfect if you are planning to elope, you would like an intimate wedding with your closest friends and family or if you are looking for a big, bright, loud love-in.

A year round destination for your dream wedding.

Exchange your vows outdoors

Gather everyone around the alter in our wooden Chy Hos (Duck house). Set on a hillside below our orchard in what used to be the old duck pond, long time dried, this newly landscaped area is surrounded by trees and old Cornish dry stone walls.

The main Farmhouse, our stunning contemporary cottages and other indoor and outdoor areas are also licensed, and are ideal for intimate wedding parties of up to 40 people.

If you would like a church ceremony, please let us know.

Go Wild in the Country!

Personalise your celebration

Choose a theme for your wedding: Play games, have a treasure hunt, mini festival, walk in the woods or even jump in the pool. With your direction, we will help your band, DJ or singer set up so you can throw a party to remember! With 32 acres of space you can really go to town on your entertainment!

Discover a new level of taste

Your wedding feast is a big part of what makes your celebration unique, so we don't have contracted caterers that you must use. Choose who ever or whatever you fancy from a hog roast, fish and chips to fine dining. We can also supply a bar stocked with all of your favourite tipples, if you are not sure who to go with, we're happy to recommend some tried and tested local businesses.

We can provide our own catering service through our sister company Radius 7 that can deliver creative, bespoke catering for your special day. Radius 7's ethos is to solely use local produce supplied sourced directly from the sea, farmers, allotments and local suppliers. We can provide everything from elegant fine dining, sensational sharing feasts and comfort food classics.

We can also provide creative Canapés to hand out whilst you and your guests are enjoying a pre dinner drink.

A tasting service is available to help you decide on your menu and we can work with you to devise a menu that will be truly unforgettable.

RADIUS 7

Contemporary Cottages

The 13 luxurious cottages can sleep a total of 57 guests in total. All of the cottages have been lovingly restored from former Cornish farm buildings to create a charming cluster of sleek contemporary cottages just a stones throw from the popular town of Looe. Nestled in a wooded valley, the cottages are light, airy and open plan to offer the ultimate home-from-home feeling.

All of the cottages feature an open plan living style and come equipped with everything that you and your guests will need during your stay.

Outside you will find yourself immersed in beautiful gardens with pathways leading through the grounds and picturesque views across the meadow.

An impressive outdoor heated swimming pool (May-October) and all weather tennis court and fantastic woodland walks make this the perfect spot to make lasting memories.

Exclusive accommodation for you, your friends and family.

Further accommodation

Within our beautiful wild flower meadow there is space to site Teepees, Yurts and Tents which have the use of a new shower block and toilets
