ABOUT US

Set in the picturesque village of Brampton, close to the local Church, we provide a range of flexible spaces to suit intimate to large scale celebrations. Our facilities have been recently renovated and modernised, to create a welcoming and impressive space for your special day.

Your wedding is one of the most important days in your life. To make sure it runs smoothly you will have a dedicated Manager to oversee the entire event, from morning preparations with any suppliers to closure.

We will provide you two golf buggies to allow you to take scenic, beautiful photos of your special day. This would be organised with yourselves in our final planning meeting.

With ample car parking, and a location close to public transport links and major motorways, we are an ideal venue for any guests travelling by car or train.

We are happy to recommend local wedding companies from bands to photo booths, from entertainment to florists, in order to create memories to cherish.

OUR VENUE

ROOM HIRE

In our light and spacious conference room we can accommodate up to 120 for a seated wedding breakfast, with the ability to increase this capacity in the evening by utilising our downstairs bar and patio area. You will have the entire 1st floor to yourselves which also includes the Stonecheck Suite, to enable you to potentially organise childrens entertainment separately.

Please contact events@bramptonparkgcco.uk for prices.

CATERING

We offer a range of catering packages from afternoon teas, to grazing stations and the traditional three/four/five course wedding breakfast. We focus on high quality and high welfare produce, and our Chef and catering team will ensure that we accommodate any requirements that you have.

Our wine merchants (Cambridge Wine Merchants) can make recommendations for any food pairings, based on your chosen menu, if this is something you would like to consider.

Contact events@bramptonparkgc.co.uk for canapé menus, welcome drinks menu, food menus, and wine selections.

PLANNING

We understand the importance of attention to detail and will help to create a plan for your Wedding Breakfast and evening, that ensures your day is bespoke, and designed around any theme you have in mind.

Our Events Manager will support your preparations and be on hand with any queries or ideas that you have in mind.

everything will be
perfect on your
special day!*
