Colchester Town Hall

Situated in the heart of Colchester, the building is rich with heritage and you are guaranteed to make a grand red carpet entrance from the moment you step inside.

The Moot Hall, perfect for wedding breakfasts and receptions, has baroque architectural features, a colourful ornate ceiling and majestic columns. For ceremonies, either the circular Council Chamber has wooden pew like seating, stained glass windows and a glorious painted dome ceiling. Or for something more traditional, The Grand Jury and West Committee Room is decorated with original oil paintings, spherical chandeliers, and Colchester's Mayoral Regalia.

Colchester Castle

With over two thousand years of history, in the heart of Colchester's beautiful award-winning Castle Park, sits the Castle. As a working museum, this unique venue allows you to enjoy the galleries during your special day. It houses beautiful backdrops for photographs including a wooden bridge, spiral stone staircases and priceless artefacts.

The Chapel is an exceptional room for ceremonies, with stunning high white vaulted ceilings and a romantic, peaceful charm. For wedding breakfasts, the secluded Charles Grey Room has an ornate wooden mantelpiece, dating back to 1600, and large doors to offer a vista over the museum galleries while you eat and celebrate with family and friends.

Castle Park

This award-winning Park is renowned for its magnificent gardens, providing a picturesque place for your wedding ceremony, reception and photographs. The scenery is unlike anything else you will see in Colchester.

Newly licensed, the Summer House is located in a secluded spot just behind the Castle and is perfect for intimate ceremonies; with stunning views over the Park and a very romantic walkway lined with large London Plane trees.

There are also many areas of the park suitable to house Marquees, where you can continue your celebrations into the night within wonderful natural surroundings.

Charter Hall

This is one of the largest venues in the county and a popular choice for large weddings who travel to us from far and wide. The rooms are extremely versatile and are easily transformed to make your dreams become a reality.

There are two main rooms at this venue that can be combined to seat 700 guests, or segregated for smaller numbers.

The facilities at Charter Hall are second to none with advanced AV equipment and ample decorative opportunities, plus there are over 500 car parking spaces at the venue.

Testimonials

“We wanted a unique and fun setting to hold our wedding, and Colchester Castle fit the bill perfectly. The gorgeous ceremony space felt intimate and looked stunning even with very little decoration. We used the adjacent Charles Grey Room for our meal and we loved that we could open the large doors for a view out over the museum gallery while we ate. After our meal, the ceremony room was transformed into a dance floor and bar which comfortably fit our 150 guests. As we had free reign of the museum it meant guests really got into learning about the history of the Castle - this was fantastic as it meant that there were no ‘lulls’ in the day. Finally, the wonderful and knowledgeable staff at the museum truly pulled out all the stops to ensure the day ran as smoothly as possible and we had a perfect first day as Mr and Mrs Lewis.”

“The inside of Colchester Town Hall is beautiful. The rooms are big and the staircases are amazing. I also think the Mayor’s parlour has character which is why I chose to have our wedding ceremony in there. The reception was held in the Moot Hall which had ample room for us to eat and celebrate our marriage. From the moment we booked the wedding, though to our actual wedding day, the staff were amazing. They were always happy to assist us where needed and answer my long list of questions. The staff even moved tables and chairs the day before to ensure I was happy with the set up. The Town Hall is also really reasonably priced for such a picturesque venue. My wedding day was a day to remember and all our guests commented on how beautiful the Town Hall was. I would recommend Colchester Town Hall to anyone.”
