## Wedding Cakes by EV 's

*Thank you for considering EV 's for your wedding cake creation.*

*At EriVica Cakes we pride ourselves on being able to create the perfect design for your wedding cake. With our high standards, attention to detail, customer service and the amazing taste of our cakes we are sure that you will find it hard not to choose us to create the cake you've been dreaming of!*

*Over the years we have been privileged to make cakes from all genres, from quirky and fun to beautiful, traditional designs that fit their setting perfectly. To achieve this for you we will book you a free, no obligation wedding consultation, during which we will look at all aspects of your planned day, from colour scheme, bridesmaids and wedding dress, venue, time of year, your flowers choices and preferred cake styles as well as your likes and dislikes in terms of design. Terri will then create a sketch of your cake design and with your input she will then tweak the design until it becomes the perfect cake for your special day.*

*There are things that will determine some aspects of your design such as the number of portions required and budget. We take these things into account and will do everything we can to achieve a design that is all you hoped for your special day.*

*Once you have a design that you like, we will provide you with a written quote. To secure the booking with us we require a 50% deposit. The balance will then be due 3 weeks before your wedding date (Please note that until the final payment is received we will not start creating your cake).*

*If you would like a tasting session prior to booking with us then we offer a 2 person session for £25.00 or a 4 person session for £45.00. If you then choose to book with us the taster cost is deducted from the final cost of your cake once the deposit is paid.*

*We offer delivery and set up of the cake at your wedding venue. This service is free of charge for venues in Hadleigh and the surrounding villages. We are also happy to deliver anywhere in the UK and any delivery costs will be provided on your written quote.*

## Terms and Conditions

### **1. Our products**

- 1.1 EriVica Cakes will always use the best ingredients they can source.
- 1.2 As nuts are used in our kitchen, we cannot guarantee our products are nut free.
- 1.3 We do not cater for severe allergies of any kind. We can provide cakes that are egg, dairy, gluten or nut free but we cannot guarantee that they do not have traces of these allergens in them.

### **2. Orders and Payment**

- 2.1 Orders will only be confirmed upon receipt of a deposit of at least 50% of the total value of the order. The date will not be secured until this deposit is received.
- 2.2 To book a wedding or a large event cake with us we require a 50% non-refundable deposit to secure the booking. The remaining balance must be paid a minimum of 3 weeks prior to the event. If full payment is not received by this date we will not start to make and decorate your cake until payment is received in full.
- 2.3 All orders are bespoke and made to your requirements as agreed at the time of booking. All quotes relate specifically to an agreed order. Any changes requested after this time may incur extra charges which is at the discretion of EriVica Cakes.
- 2.4 Once products are collected or delivered, they become the customers' responsibility. EriVica Cakes will not be liable for any damage occurring whatsoever.
- 2.5 Once your cake is delivered to your chosen venue and full care and portioning instructions have been given to staff at the venue we will photograph the cake as proof of its condition at set up and request that someone on the premises signs a form to confirm that the cake has been left in perfect condition by EV's staff. We shall not then be liable for any damage occurring thereafter.
- 2.6 Once payment has been made the customer has entered into a non-cancellable contract. Ordering mistakes will not be grounds for a cancellation. If an order date is requested by the customer to be changed following confirmation and acceptance of an order, this may not always be possible.
- 2.7 Deposits or payments in full are non-refundable, except at the discretion of EriVica Cakes.

### **3. Lessons / Demonstrations**

- 3.1 Payments for lessons/demonstrations are payable immediately. Places will not be confirmed until payment is made in full and our terms and conditions agreed to.
- 3.2 All designs learnt at our lessons/demonstrations remain the property and copyright of Terri-Anne Newman and EriVica Cakes. If you have attended a lesson/demonstration you are free to use the designs you have learnt for your own cake making, but you must not put the designs together in the same or substantially the same selection as that used by EriVica Cakes to sell.
- 3.3 If we believe at any time that you are disruptive to the lesson/demonstration by way of behaviour or otherwise or that you may delay any proceedings of the lesson/demonstration to the detriment of other attendees, we reserve the right to request that you leave immediately without any further warning. No refunds will be offered in these circumstances.
- 3.4 We reserve the right to change the content of a lesson or demonstration at any time.
- 3.5 Children under 18 years old must be accompanied by an adult who has also purchased a place at the lesson/demonstration. Lessons/demonstrations may be suitable from age 10 years and above. We have been DBS checked.

3.6 Please carefully check the date you are booking before you decide to go ahead. Lessons/demonstrations will only be rescheduled if notice is given at least 7 days prior to the original date booked. In the unlikely event that we cancel a lesson/demonstration, an offer to reschedule will be made or a full refund given at our discretion. This refund and EriVica Cakes' liability is limited to the cost of the booking and the amount paid for the lesson/demonstration only. It does not cover any payments you may have paid for travel, accommodation or other arrangements or any other payment whatsoever.

3.7 If you have recently had sickness or diarrhoea, we respectfully request that you do not attend the premises for any reason until a full 48 hours after symptoms have ceased in line with Food Hygiene Standards. This is to comply with the law and local authority standards.

3.8 If you cannot attend a lesson/demonstration you may find someone to attend in your place. You must supply full contact details prior to the class or any such persons may not be admitted.

3.9 Lesson/demonstration location may be subject to change. We aim to give at least 1 week's notice of any such change. EriVica Cakes will not be liable for any extra travel fees or any charges incurred by any such change of location.

#### **4. Gift Vouchers**

4.1 Gift Vouchers are valid for 12 months from the date they are issued. No extension of time will be granted. Lessons or products must be booked before expiry (even if that lesson or product is due on a date beyond the expiry of the Voucher).

4.2 Vouchers may only be exchanged for a scheduled lesson/demonstration (lesson requests may not be considered), up to the total amount of the printed value. An extra amount may be paid for a higher value lesson (dates subject to availability). Any unused portion may be carried forward.

4.3 Vouchers cannot be transferred without written confirmation from the named holder.

4.4 Vouchers are non refundable.
