The Extra Touch

We know how stressful the planning of a wedding can be, so with a wealth of experience in wedding planning, let our team help take the pressure away. We will look after the details on the day, so you can relax and enjoy living in your personal fairy-tale.

Sometimes there are little extras you might want to add to make your day feel that little bit more reflective of you. We will do everything we can to support what you hope your day will look like. Don't hesitate to ask – we will do all we can to make even your wildest dreams come true!

Please contact our Wedding Planning Team for the opportunity to talk through some of your plans and ideas. We look forward to helping you write your wedding day story. Contact our wedding coordinators to book an initial conversation to find out how the New Hobbit Hotel can help your story take shape.

Our first conversation is a no obligation opportunity to explore together what your dream day could look like. To give you peace of mind, we will hold your chosen wedding date for fourteen days, giving you freedom to explore all your options without the worry of losing the venue as you think about your desires for the day.

Should you decide that The New Hobbit Hotel will form part of your relationship memories, we will require formal acceptance of our agreed confirmation, and payment of the £500 booking fee. Six months before your day, we require 50% of the outstanding balance, followed three months later by 75% of the balance. One month prior to your wedding, the final payment is due.

You will be assigned a specialist wedding coordinator, who will also be on hand to answer any questions you have, and ease the pressure of organising your big day, and will meet with you as often as you need to put the finishing touches in place, meaning you won't need to think about anything on the day itself, except turning up and saying, "I do"!
