

EXCLUSIVELY YOURS

KNOWSLEY HALL WEDDINGS

# MAKE IT A TRULY MAGICAL DAY

Set within 2,500 acres of a private walled estate, Knowsley Hall has welcomed royalty and distinguished guests since 1495. It is this heritage that makes our stately home quite the most magical, warm and surprising of venues.

The Earl and Countess of Derby would like to welcome you into their home for your wedding day. Our dedicated and experienced wedding team are here to ensure that everything runs smoothly, from the moment you first speak to them, to the departure of your last guest.

Knowsley Hall and its immediate grounds will be exclusively yours for the day. From the minute you drive into the walled estate, you will be completely captivated. Totally private, it's like a whole other world. The rich heritage and warmth of a lived-in country house, with dedicated house staff offers the idyllic combination of grandeur, within a warm and welcoming atmosphere.

As we like to keep our calendar varied, we limit the number of weddings held at the Hall each year. So you can rest assured that your wedding day will be truly unique and absolutely exclusive.

“My wedding was  
one of the best  
days of my life.  
Weddings should  
be held in a place  
that will evoke  
memories to  
cherish forever”

Knowsley Hall is, without doubt, an idyllic place to take your vows. Your photographs will be testament to a joyous day that is truly magical. And, of course, you will be adding your own unique experience to the estate's remarkable history.

# A MAGNIFICENT SETTING

---

Imagine sweeping through the imposing gates to the main entrance, where you will be greeted in grand style as your stately home experience begins to unfold.

We can accommodate 132 guests for a civil ceremony where you can exchange your vows in the majestic splendour of the Stucco Ballroom. Cherish the moment with a celebratory drink in the Walnut Drawing Room or on the terrace overlooking the manicured gardens and lake.

Then enter the exquisite State Dining Room through the giant, solid oak doors to be welcomed as the newlyweds.

As day blends into night the Stucco Ballroom becomes a beautiful, romantic and spacious room to dance the night away. The perfect place to party for up to 132 wedding guests.

*"You surpassed and exceeded our expectations, exceptional venue, exceptional staff members who could not do any more for their customers. From day one you kept us informed and safe in the knowledge that everything was under control. We felt comfortable throughout, knowing you had made the organising of our event run so smooth and seamless."*

# SAVOUR EVERY MOMENT

Your wedding menu will be designed by our Head Chef to the Knowsley Estate. Our team of expert chefs are committed to using the finest ingredients. These are sourced fresh (where possible from the Knowsley Estate) faultlessly prepared, beautifully presented and courteously served.

At Knowsley Hall, our main concern is respecting food to ensure that every plate is treated with the same love and respect, whether we are creating a dish for one person or more than a hundred. We believe food isn't just about putting it on a plate; it's about how it arrived there from the farmer that produced it, to the young apprentice learning their skill whilst preparing an experience for you to savour.

As a seal of quality, The Earl and Countess of Derby personally taste and approve every dish before its inclusion on our menus. Furthermore, as part of our service, you will be invited to come along for a complimentary tasting of your chosen dishes from the menu.

*"The food tasting experience prior to our big day was really intimate and memorable, and we couldn't wait to share the food with our guests on our wedding day – everyone was blow away."*
