Hi Charli

I'd just like to say thank you so much for playing at our wedding on Friday! You guys were amazing, while i was waiting outside the ceremony room I heard you playing and wanted to run in to sit and listen with the rest of my guests!

We had such lovely comments from everyone regarding how amazing you all were, and my husband's niece in particular was naming each song you played!

You've been so approachable throughout the whole process, and answered all of my questions fully and with a smile.

Thank you so much again, you made our day unforgettable and we will definitely be recommending you to any of our friends getting married!

HSQ TEAM!

Meet Charli and Andy, a husband and wife team who met during their studies at the Royal Northern College of Music in 2008 and have been playing together ever since.

Charli is the manager and plays viola in HSQ. Feel free to drop her a line with any questions you may have surrounding your booking.

Andy plays cello in the string quartet and is our on site music arranger (and Yorkshire Tea drinker).

He loves a challenge so if you don't see your favourite song, or piece of music, on our repertoire list he will be able to arrange it for you.

When not working Charli and Andy like to spend time escaping to the Lake District with their black Labrador for long dog walks.

FAQS

WHERE ARE YOU BASED AND ARE YOU ABLE TO TRAVEL?

Harmony String Quartet are based in Manchester and we have performed in venues all across the North including Liverpool, Leeds, York, Sheffield and Cheshire (to name but a few).

We are able to travel to perform at your event!

WHAT IS THE DIFFERENCE BETWEEN THE STRING QUARTET AND STRING TRIO?

The Quartet has 4 musicians playing in the ensemble (violin, violin, viola and cello) whereas the Trio has 3 musicians (violin, viola and cello). The String Quartet repertoire is significantly larger than the Trio so please take this in to consideration when making your booking.

I'M GETTING MARRIED OUTSIDE, CAN THE STRING QUARTET ACCOMMODATE THIS?

We are very happy to play outside as long as we are able to perform in a sheltered area and the temperature is above 17 degrees.

Charli can discuss with you on where would be best for the musicians to sit.

WHAT IS THE JUKEBOX SERVICE?

Instead of choosing a playlist for your drinks reception or meal, you or your guests can pick songs for us to perform from our repertoire lists. By scanning a QR code, guests will be able to view our repertoire lists and write requests down to give to us.

It's an exciting way to perform music of all genres and provides excellent entertainment!

BOOKING HSQ

To secure a date with HSQ, we require a non refundable deposit of £150 (which is subtracted from your final balance). We will also send you a booking form to complete for us as well.

Once that deposit has been received, your date is then secured in our diaries.

Charli & Andy look forward to hearing from you!

You really were the perfect accompaniment to our wedding day and we cannot thank you enough for everything you did for us. From phone calls to emails to updating us when new songs were added to your repertoire lists, you really went above and beyond for us and we LOVED it!
