We met him at a wedding fair and after chatting with him for a short while we booked up straight away. He is so organised and thorough and really put us at ease in the run up to our wedding. I felt like I could ask him a million questions and he was always so patient. On the night the dance floor was full the entire time, he got on so well with all the guests and just knew how to make sure that everyone had a brilliant time. He even stayed with us for a drink after the party! Thank you Ben for being so great (and I am sorry I have taken so long to write this!) PS Can we do it again?!</p>	<div>  Heather Jayne recommends BB DJ Premier Disco & Wedding Pianist. 14 Dec 2019 · 🌐 </div> <p>Absolutely brilliant night.
