Welcome TO WEDDINGS AT CALEY HALL

We are a family run hotel, full of character and country charm, situated in the quiet village of Old Hunstanton, North Norfolk. The stables and outbuildings of the original Caley Hall manor house (dating from 1648) have been converted to provide thirty eight chalet style rooms, a restaurant, bar and lounge.

We pride ourselves on offering you and your guests a warm welcome and friendly service. With tastefully decorated bedrooms, an AA Rosette awarded restaurant, large patio areas and a relaxing bar and lounge, Caley Hall provides an intimate venue for your wedding day.

A private venue FOR YOUR PERFECT DAY

Weddings at Caley Hall give you exclusive use of the venue allowing you the freedom to put your special touches to every aspect of your day.

The main restaurant caters for up to eighty guests for your ceremony and wedding breakfast and a further fifty evening guests, or if you're looking for a more intimate ceremony, The Old Barn caters for up to forty guests. The patio areas are the perfect setting for arrival drinks if the sun is shining and the warm cosy lounge is a truly enticing space for mulled wine by the fire.

A ten minute walk takes you to Old Hunstanton beach where the perfect photo opportunity awaits with sand dunes, colourful beach huts and a wide beach with big sky. Similarly the lighthouse is just a few minutes' drive away offering another unique backdrop for some beautiful wedding photographs.

Caley Hall is an approved venue for wedding ceremonies and civil partnerships. More information about costs and booking can be found at www.marryinnorfolk.co.uk. We recommend confirming that a registrar is available on your chosen date before paying your deposit.

Your Special Day

FROM START TO FINISH

Receptions with arrival drinks and canapes can be held on the patio or in the easy lounge. Choose from a champagne reception, refreshing Pimms or mulled wine and hot cider by the fire. Whatever your preference we are happy to work with you to create your special day.

During the day the patio is the perfect sun trap for enjoying a glass of prosecco garnished with fresh strawberries and enjoyed alongside canapés such as smoked salmon blinis or tomato and pesto crostini. Come dusk the patio area becomes a tranquil fairy lit delight for those who wish to relax under the stars and soak up memories of the day.

Evening entertainment is your choice and can be provided in the main function room or in the bar and lounge.

'We felt so at home. It was lovely for our guests to have their rooms to get ready in and enjoy a drink or two in the evening, it just felt as if we had all gone away for a lovely weekend.'
