

What Our

Thank you both so much!! Both floral arrangements looked amazing!! We had so many compliments and lots of guests were having photos in front of the Flowerframe and Moongate. You got my vision spot on and they were just beautiful - I'm so grateful for what you put together.

Lovely Clients

Our wedding wouldn't have been as special without the support, dedication, skills and kindness of both Jo and Hannah. From listening to my ideas and making them a reality, to taking the time to ensure everything was perfect on the day.

We will always be grateful to you for going the extra mile. Full of talent and so professional in your work that you obviously enjoy with a passion. You'll always be in our hearts for being such a positive and significant part of our day.

Thank you one million times over

Are Saying

We were absolutely delighted with the floral Moongate we hired from Johanna Events for our intimate wedding at The Abode Hotel.

I spoke with Hannah three weeks before our wedding as I had decided, last minute, we needed a feature in our ceremony room. Hannah could not have been more helpful and liaised with our venue to sort everything out.

On the day the Moongate completely surpassed our expectations, it was even more beautiful than I had expected and cannot thank them enough.

Charlotte & Asif

Simply stunning from start to finish! Every single little detail was carefully curated and we couldn't have asked for a more beautiful wedding set-up.

Highly recommend Jo & Hannah - thank you so much.
