**Teepee Tent Hire** are a Lancashire based company, hiring out a range of 'luxury' teepees for all kinds of events across the North West and beyond!

If you're looking to WOW your guests, then Teepee Tent Hire can assure you that there will no disappointment.

Teepee Tent Hire was set up by brother and sister Thomas and Charlotte, who were passionate about creating events with a difference! When they first saw the teepees they instantly fell in love with the concept of having the freedom to create such a unique event, whatever it may be, outside and under canvas in your chosen location!

Having a father in the timber and joinery industry was most definitely a bonus, as they were able to source beautiful timber to create the bespoke rustic wooden table and benches in house! Which soon expanded in to making the wooden bar, doors and fire pit, all which tie in with each other to create a flawless and finished look!

### This is why Teepee Tent Hire are unique!

It's the hard work, dedication, time and family orientated team that have worked together to put in their individual skills and efforts to make each and every occasion a '**LUXURY.UNIQUE.EVENT**' that's celebrated in style and with a difference!

# TEEPEES

## TEEPEES

The teepees are manufactured in the UK and are made from the best of materials to withstand whatever the British weather has in store!

They come in three different sizes:

**Giant Teepee - 10.30m diameter**

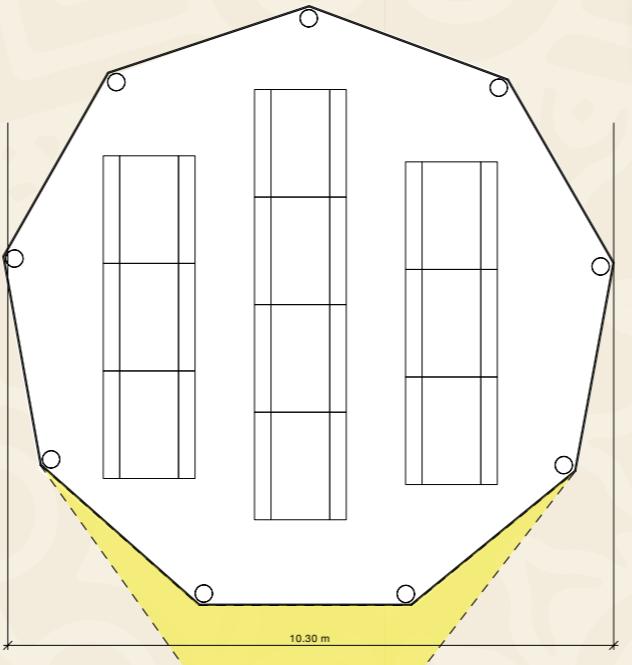

**Midi Teepee - 8.50m diameter**

**Baby Teepee - 6.50m diameter**

The teepees are uniquely designed so that they can be interlinked with one another by lifting the sides of the teepees or by having a tunnel to take you into a different space altogether!

### **Giant Teepee - 10.30m Diameter**

The giant teepee can hold approx. 50-70 guests. They're great for linking together for larger events to create a unique space to hold whatever number of guests your having.

"An excellent service, all the team were well presented on arrival, they dealt with the site issues very well, the process of installation was well managed and the Teepees looked excellent when built! Nothing was too much trouble.

Everyone that attended the event were more than impressed by the finished article and by the lighting, fire, fittings and the amount of space within the teepees.

The lads did an excellent job in removal of the Teepees and the site was left as if nothing had been there.

Would we use you again? Without hesitation, we have already recommended others to do so."

Regards,

**Mark & Sue Smith - 27th May 2016**

"We had an unforgettable night in 2 Giant Hat Teepees supplied by Teepee Tent Hire. Tom and Charlotte created a magical atmosphere with a stunning bar and 2 fire pits where guests could chat and relax. The Teepees definitely have the "Wow Factor". We would definitely recommend Teepee Tent Hire!"

**M. Watts - 25th August 2015**

"We would like to send our special thanks to you and your team for the fantastic job you did for us at our recent event. The directors and all our staff were delighted and 'Street-Fest' was a huge success, not partly due to the great service and support we received from your company from beginning to end!

It is a joy to work with such helpful and accommodating people.

Thank you again and we will certainly recommend your services to anyone planning an event!"
